We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. The accompanying current month budget, year to date budget and annual budget of Sunrise Lakes Phase IV Recreation for the 1 Month and 11 Months ended November 30, 2019, and for the year ended December 31, 2019, has not been compiled or examined by us, and accordingly, we do not express an opinion or any other form of assurance on it.

The Association has elected to omit substantially all the disclosures, statements of fund balances and cash flows required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Association's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

The Association has omitted supplementary information about future major repairs and replacements of common property that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.
