REC BOARD NEWS

UPDATES AND NOTICES

YVONNE HEPLER
CHAIRPERSON

Hello Neighbors,

In this article I would like to write about one of my favorite topics, "Saving Money". It's no secret that inflation is rising. We see it everyday when we pay for groceries, gas etc... In an effort not to increase the monthly maintenance, this year the Board of Supervisors carefully prepared for the planning of the Budgets, which did not result in an increase.

This was not an easy task to accomplish. It involved a collaborative effort between the Board of Supervisors, Staff, Accountants, and Owners who attended the monthly Recreation Meetings. On behalf of the Board I would like to thank everyone for their contributions.

I would especially, like to thank, Marian Weinberg, the Social Director, for her work in analyzing the expenses related to the Districts events, which have resulted in a trend where we are increasing our profit. In the 2022-2023 fiscal year Budget the shows were reduced by \$125,000. This reduction did not affect the quality of the shows. In fact, we have added more shows and we are looking forward to a fabulous season.

I would also like to thank Bradley Uribe, the General Manager. The District's decision to hire a full time GM has shown its benefits. Bradley, has been very instrumental in procuring bids and negotiating contracts that have resulted in savings to the District. He is also on site overseeing the projects and ensuring that they are being completed in accordance with the scope of work. He is also, monitoring the payments, spending and general ledger for accuracy. His efforts have resulted in a savings of over \$150,000!

Finally, the rehiring of Abe Velez, has been an asset to the community. Abe has a wide range of experience and knowledge of the clubhouse that no one else has. He has reduced cost in supplies and inventory, but most importantly in the District's Repair and Maintenance expenses. His expertise and efforts have resulted in savings month after month. One of the reasons that the District is under budget in our operating expenses, is directly attributed to Abe and his team.

I would like to restate that this has been a team effort. This Board has been working diligently to add even more value to our properties. "Saving Money" during this difficult time in our economy, is the Board's goal. We invite you to join us at our next meeting on Tuesday September 20th at 0930AM at the Main Clubhouse. You can also join us on our Zoom on www.sl4recdistrict.com.

Regards,
Yvonne Hepler
